Business Owners:

We thank you for your continued support by renewing your membership for the 2023 season. We welcome all local businesses to join the Loring Restoule Business Association; a non profit organization dedicated to promoting members' businesses, tourism and exposure to the Loring, Restoule and surrounding areas. Your business will benefit from our efforts by drawing visitors to the area and increasing exposure, even if you are not directly involved in tourism.

Membership fees go directly towards projects, operating costs and marketing of the area. The volunteer board of directors welcome your involvement, input and ideas to strengthen our communities and businesses.

Membership benefits include: a listing in the annual brochure or business directory; a web listing on the loringrestoule.com website; Facebook and social media promotion and support; ability to display promotional material at LRBA information booths throughout the region; business referrals; networking events and seminars; industry relations and support with other tourism initiatives; support with other external marketing initiatives. For a full list of benefits, please refer to www.lrba.ca, or contact a member of the executive.

Now, more than ever your membership is important to us. The Loring Restoule Business Association is a team of businesses that together have successfully identified our region "Loring Restoule" as a separate and identifiable sub region within our Regional Tourism Organization (RTO12 – The Great Canadian Wilderness, formerly Explorer's Edge). Your membership will help to strengthen our organization by increasing our membership and resources. Together, let's continue to build momentum for the Loring Restoule region in 2023. Our success depends on your involvement!
